

EQUALITY & HUMAN RIGHTS IN **SPORT** and Physical Activity

FREE PRACTITIONER LED BRIEFING WORKSHOPS

for individuals and organisations working in the field of Sport and Physical Activity promotion, development, governance, coaching and management.

These 3 hour workshops will identify the key issues for practitioners in meeting their requirement in equality and human rights in sport, identifying barriers to participation experienced by all equality strands and the development of tailored action plans for change.

The workshops are **FREE** and the details below. Please note that a maximum of **40** places are available at each workshop so please book early to secure your place.
