BEAT ANYTHING. CHANGE EVERYTHING

Sport's about more than beating personal bests. It's about beating everyone who says we can't. Everything holding us back. Everywhere we're not welcome.

Together we can give women all over the world the confidence to win. And the freedom to try.

WHAT ARE WE ABOUT?

GameChangers is a competition and community in one. It's a contest against words like No. Can't. Sorry. It's a group of people out to beat the barriers holding women back. It's a belief that together we can beat anything, and change everything.
